

1ST GLOBAL UPDATE IN JOINT IMAGING &
ORTHOPAEDIC SURGERY CONGRESS
FOR HEALTHCARE PRACTITIONERS

Plenary talks . Symposia / Workshops . Oral paper presentations

2018

DATE: 15TH TO 17TH SEPTEMBER 2018
VENUE: UNIVERSITY MALAYA MEDICAL CENTRE
KUALA LUMPUR, MALAYSIA

Application made for 20 CPD Core Points under
Malaysian Medical Council via MMA Wilayah

Event Coordinator:

Global Futuristic Management Services

Endorsed By:

Malaysian Medical Association

Official website and online registration:
www.penangmskrad.com

The 1st Global Update in Joint Imaging & Orthopaedic Surgery Congress for Healthcare Practitioners will be held from 15th-17th September 2019 at University Malaya Medical Centre, Kuala Lumpur, Malaysia.

Here are the key features of the Congress:

1. This congress is designed to give you a comprehensive review of indications, technical aspects, normal and pathological image recognition of Imaging of the major joints. It will also update delegates in current orthopaedic procedures of major joints and some other interesting topics on imaging equipment and Rehabilitation of common tendon pathology.

2. This congress will be useful to all physicians and allied healthcare personnel who diagnose and treat possible joint pathology such as major joint tendinosis and ligament injury by clinical examination and refer patients for diagnostic imaging and want to be able to recognize the normal anatomy and common pathology on the scans or images provided by the radiologists.

3. The congress will cover plain radiographs, MRI and Ultrasound normal imaging anatomy compared with gross anatomy using plain films, MRI and Ultrasound static images. The correlation of gross anatomy to normal ultrasound and MRI images and a live demonstration of ultrasound on normal models initially will help all delegates to get a firm knowledge of the role of high resolution ultrasound and MRI for detection of various joint pathology in today's setting.

4. The normal scans above will then be compared with MRI and Ultrasound videos of common joint pathology. This is so that the healthcare personnel can now recognize and point to patients areas of reported abnormality on the CD or hard copy images provided to the patient by the hospital or radiologist and recommend the appropriate management.

5. This is a 3 day congress with practical demonstrations by the faculty and application has been made for 20 CPD points from the MMC for doctors as a 3 day congress with free papers.

6. The Congress Chairman and main guest lecturer is the world renowned, Professor Dr John George, who is an expert Master teacher at various Radiology Musculoskeletal and Sports Medicine meetings around the world and many find his style of teaching easy to understand and can appreciate even complex topics in MSK MRI and Ultrasound. He has given more than 220 international and local presentations and has a H index of 11 for ISI publications, which is a very high score for a Malaysian Academic Medical Professor. His team includes local and international speakers including orthopaedic surgeons, rehabilitation specialists and also technical staff from Imaging companies.

7. We hope to invite various Ultrasound companies to display their GP and Physician entry and mid-range equipment at the booths outside the lecture hall. These equipment will also be used in rotation on the models during the live demonstrations for video presentation with direct link to the screen so that the participants can view the excellent resolution of low to mid-end range ultrasound available for screening and injection guidance today.

Online registration is available at www.penangmskrad.com. We look forward to your presence and participation.

Yours sincerely,

Julia Anne

Chief Event Coordinator

1st Global Update in Joint Imaging & Orthopaedic Surgery Congress

Global Futuristic Management Services

Day One • 15th September 2018 • Saturday

7.30 am	Registration
8.30 am	Lecture: Musculoskeletal MRI and Ultrasound of the Knee joint
10.00 am	Tea break - Presentation of oral free papers
10.30 am	Live demo followed by video presentation of abnormal Musculoskeletal MRI and Ultrasound of the Knee joint
11.30 am	Update in Orthopaedic procedures of the Knee by an Orthopaedic Surgeon
1.00 pm	Lunch
2.00 pm	Lecture: Musculoskeletal MRI and Ultrasound of the Ankle Joint
3.00 pm	Live demo followed by video presentation of abnormal Musculoskeletal MRI and Ultrasound of the Ankle joint by a Musculoskeletal Radiologist
4.00 pm	Tea break - Presentation of oral free papers
4.30 pm	Update in Orthopaedic procedures of the ankle and foot by an Orthopaedic Surgeon
5.30 pm	Close of session

Day Two • 16th September 2018 • Sunday

8.30 am	Lecture: Musculoskeletal MRI and Ultrasound of the Shoulder joint by a Musculoskeletal Radiologist
10.00 am	Tea break - Presentation of oral free papers
10.30 am	Live demo followed by video presentation of abnormal Musculoskeletal MRI and Ultrasound of the Shoulder joint by a Musculoskeletal Radiologist
11.30 am	Update in Orthopaedic procedures of the Shoulder by an Orthopaedic Surgeon
1.00 pm	Lunch
2.00 pm	Lecture: Musculoskeletal MRI and Ultrasound of the Elbow and Wrist Joint
3.00 pm	Live demo and video presentation of Musculoskeletal Ultrasound of Elbow and Wrist joint
4.00 pm	Tea break - Presentation of oral free papers
4.30 pm	Update in Orthopaedic procedures of Wrist by an Orthopaedic Surgeon
5.30 pm	Close of session

Day Three • 17th September 2018 • Monday (Public Holiday)

8.30 am	Lecture: MSK Imaging of the Carpal tunnel syndrome. Muscle injury and Arthropathy screening.
10.30 am	Tea break
11.00 am	Live demo and video presentation of Musculoskeletal Ultrasound of the Carpal tunnel, Hamstring and calf muscle anatomy and hand arthropathy screening by a Musculoskeletal Radiologist
1.00 pm	Lunch
2.00 pm	Extremity MRI - a cost saving solution to MRI Imaging of the extremities
3.00 pm	Scientific Results in Rehab treatments such as Shockwave, Pulsed, etc. Do they work?
3.30 pm	What should I look for in purchasing an Ultrasound machine as a Health Practitioner v/s a Radiologist?
4.00 pm	Tea Break
4.30 pm	Operative procedures of the Spine: Minimally Invasive v/s Open Surgery by an Orthopaedic Surgeon
5.30 pm	Close of meeting and distribution of certificates

Professor Dr. John George (Congress Chairman)

Professor Dr. John George is the Chief Musculoskeletal Radiologist at the Department of Biomedical Imaging, Faculty of Medicine, University of Malaya, Malaysia. He has 18 years of Experience in Musculoskeletal Radiology and is an expert in Musculoskeletal MRI and Ultrasound. He is an international Course Director and Demonstrator for Musculoskeletal MRI and Ultrasound and has done more than 5000 MRI and 3000 Musculoskeletal Ultrasound. He is also a Master teacher at various Radiology Musculoskeletal and Sports Medicine meetings around the world and many find his style of teaching easy to understand and can appreciate even complex topics in MSK MRI and Ultrasound. He has given more than 220 international and local presentations and has a H index of 11 for ISI publications, which is a very high score for a Malaysian Academic Medical Professor.

Associate Professor Dr. Chris Chan Yin Wei

Dr. Chris is the head of the Spine Research Unit, NOCERAL, Department of Orthopaedic Surgery, University Malaya. He is also consultant of spine surgery in University Malaya Medical Center for the past 10 years with a clinical case volume of approximately 500 cases a year. His area of interest includes scoliosis correction surgery, sagittal imbalance and minimally invasive spine surgery for spinal metastasis. He has numerous publications in Tier 1 SCI journals and is a reviewer for Spine, Journal of Orthopaedic Surgery and the Malaysian Orthopaedic Journal.

In his lecture, he will discuss the general concepts of minimally invasive spine surgery, clinical cases whereby this technique has been shown to be of benefit and will also present his clinical work in the use of minimally invasive spine surgery versus open surgery for spinal metastasis.

Dr. Rukmanikanthan Shanmugam

Dr. Kanthan is a senior lecturer and Orthopaedic surgeon at University Malaya Medical Centre and University Malaya Specialist Centre. He Completed his Masters of Orthopaedic surgery training in University of Malaya in 2009 and was subsequently recruited as a Senior lecturer. He was trained in Foot and ankle and limb reconstruction surgery from University of Malaya as well as three other institutions in the UK. He has also done a fellowship in biomechanics in the famed AO institute in Davos, Switzerland. He now heads the orthopaedic Foot and Ankle surgery unit in University of Malaya as well as an active team member of the limb reconstruction unit. He also heads the NOCERAL biomechanics testing laboratory and is an active member of the Malaysian Orthopaedic foot and ankle surgery society, ASAMI (Association for the Study and Application of the Methods of Ilizarov) Malaysia, Asia Pacific Orthopaedic Association and Malaysian Orthopaedic Association. His expert areas are, Foot and ankle conditions and lower limb reconstruction.

Dr. Mohamed Zubair Mohamed Al-fayyadh

Dr. Zubair is a senior lecturer and Consultant Upper limb and Sport surgeon at University Malaya Medical Center. He holds a Master's degree of Orthopaedics from UM in 2011, and the M.B.Ch.B degree from Al-Mustansiriya University/Iraq in 2001. He had his fellowship training in Upper Limb Surgery at the University of Liverpool in 2014, and in Sport and Arthroscopy surgery from UM in 2012. Dr Zubair is a member of The Malaysian Arthroscopy Society (MAS) and the Asia-Pacific Knee Arthroscopy and Sports Medicine Society (APKASS) with active contribution to the local and international conferences. He is the coordinator for the Basic Techniques in Shoulder and Knee Arthroscopy workshops held quarterly at NOCERAL/UM since 20015. His expert areas are the Arthroscopic shoulder stabilization and rotator cuff repair, Shoulder and elbow joint arthroplasty, Sport injuries and Arthroscopic knee surgery, and Cartilage repair techniques (stem cells).

TESTIMONIALS FROM PAST EVENTS

"The knowledge that is acquired is really more than what is just in the books and values what is really important in practice."

Dr Christopher Aromin, Philippines

"An excellent course that is very practical and informative. Professor Dr John George's passion to teach is outstanding. Highly recommended."

Dr Ai-Lee Chang, United Kingdom

"The Course Director, Professor Dr John George, genuinely cared about making the lectures interesting and comprehensible to everyone. He presented complicated things in an understandable way through his slides by quoting good worked examples. He is one of the best teachers I have ever had."

Dr Thuluva Kumar, Singapore

"A very good, beneficial and informative course that gives you solid guidelines for an MSK career. The information given is out of pure experience and I feel grateful to the tutors for sharing it with us."

Dr Aida Shanshal, UAE

"I have thoroughly enjoyed the course. It is a well-organized, practical and down-to-earth course and I can immediately apply the knowledge gained to my day to day work."

Dr Sunny Cheng, Hong Kong

CONGRESS INFORMATION

Congress Venue:

The congress venue is the top-class auditorium at the 13th floor of Menara Selatan, University of Malaya Medical Centre. This location has been selected as it is centrally located between Kuala Lumpur and Petaling Jaya. It is located near the University Putra Line LRT station and free bus services are available to and from Taman Jaya LRT.

Who should attend this congress?

Healthcare Practitioners including GP's, Rehabilitation specialists, Physiotherapists, Occupational therapists, Orthopaedic Surgeons, Sports Medicine specialists, Medical Assistants, Nurses in the above departments, etc.

Accreditation:

Application has been made through MMA Wilayah for 20 CPD points for a 3 days congress with free papers.

Guidelines for oral presentations:

1. All oral presenters must register for the congress and pay the registration fees before the congress.
2. An LCD projector would be made available to facilitate your presentation. Computers available for presentations are Windows PC computers (Windows 7 operating system), with Microsoft Office 2010 software. All presentations must be compatible with this setup. Presenters are not allowed to use their own laptop computers.
3. Your presentation should be prepared as a single Microsoft PowerPoint file in standard PowerPoint file format (.ppt or .pptx). The file is to be brought in a thumbdrive / other appropriate medium.
4. For additional audio-visual requirements, please liaise with the congress secretariat at least 14 days before the congress. Participants may be charged for any additional equipment used.
5. In whichever format you intend to present, it is suggested you use sufficiently large fonts and clearly legible typefaces. Please do not cram too much information into each slide.
6. Please note that the official language of the congress is English.
7. Presentation is to be allocated (8 + 2) minutes; unless otherwise specifically mentioned. The last "+2" minutes indicated is for discussion of your paper. The chairperson will alert the presenter at 6 minutes, to indicate that you have 2 minutes to end the presentation. Chairperson will request for questions from the floor and select audience members with questions. You are advised to adhere strictly to the time allocated to avoid disrupting the scientific programme.
8. You must submit your file via thumbdrive to the congress secretariat before the first lecture on the first day (0830 hrs). Collect your materials (if relevant) by the end of the first day (1730 hrs).
9. The oral presentation session will be held during the tea breaks on 15th & 16th September 2018. You will be informed of the day of your presentation via email.

If you have any enquiries, please email: globalfuturistic@gmail.com.

REGISTRATION FEES & PAYMENT

Congress Fees:

Individual Rates

Congress Fees	Early Bird Rate (till 30th June 2018)		Standard Rate (1st July 2018 onwards)	
	Bank Transfer	Paypal	Bank Transfer	Paypal
Overseas HCP	USD 300	USD 350	USD 350	USD 400
Malaysian HCP	RM 750	N/A	RM 800	N/A

Group Rates

• Group registrations of 10 or more pax are entitled to special group discounts. Kindly email the secretariat at globalfuturistic@gmail.com for information about group payments and discounts.

Registration:

Registration for this congress is via online at www.penangmskrad.com. Upon submitting the online registration form, you will receive a response within a week on suitability and availability of places at the congress. If you do not receive a reply within a week, kindly email us directly at globalfuturistic@gmail.com. Kindly refrain from making any payment until receiving a confirmation on acceptance.

Acceptance & Placement:

Once your place at the congress has been approved and you have obtained leave from your department, kindly proceed with payment.

Payment Details:

Account name : Global Futuristic Management Services
Bank Name : Commerce International Merchant Bankers Berhad (CIMB)
CIMB Account number : 8002419615
Swiftcode : CIBBMYKL
Bank Address : Commerce International Merchant Bankers Berhad,
227&228 Jalan Bandar 13, Taman Melawati,
53100, Kuala Lumpur, Malaysia.
Beneficiary Address : 20 Jalan 4, Taman Sri Ukay, 68000 Ampang, Selangor, Malaysia.
Contact number : +60122773799

Payment Proof:

All delegates must send us the proof of payment within three days of making payment. Kindly email a copy of the bank-in slip or proof of transfer to globalfuturistic@gmail.com with indication of account name that the transfer was made from. Upon receipt of payment into our account, a notice will be sent to your email along with a confirmation letter and e-receipt within one week to confirm your place in the congress.

Terms & Conditions:

1. A non-refundable policy applies to congress fee.
2. Registration transfers are allowed. No additional fees will be imposed for registration transfers.
3. The congress fee is inclusive of morning & evening teas and lunch.
5. Registration fee for overseas delegates is in US dollars and if the transferred amount is short of the amount we should receive, you will be advised to pay the balance amount at the congress. The balance should be settled during registration. To avoid the transferred amount falling short of the minimum amount, kindly ensure that you find out your local bank charges and include it in the amount transferred.
6. We allow for a US10 deduction on our side but please be aware that some banks use third parties which may take US10-US30 per transaction and this must be paid back to Global Futuristic if the due transferred amount is more than US10 short.
7. A confirmation of placement at the congress is upon receipt of a confirmation letter and electronic receipt. If you do not receive these documents within the duration of a month, kindly email the secretariat immediately to check on your status.
8. Kindly email the secretariat with proof of transaction along with account name upon making payment so that the secretariat is able to identify your payment. Failure to do so might cause your payment to be attributed to another delegate instead.
9. Do not make payment until and unless you receive a confirmation from secretariat to proceed. Payments that go through prior to confirmation will not be refunded.
10. The programme is fixed, however the congress faculty may change in the event of a personal crisis or unavoidable matter. We will do our best to get a faculty of similar calibre.
11. In the event that the congress is cancelled due to unforeseen circumstances, a full refund will be credited into your account.
12. Kindly check if visa is required for your travel to Malaysia. It is advisable to check with the Malaysian embassy/consulate instead of agents or friends as requirements may change.
13. The event management company (secretariat) is not liable for any losses or injuries sustained before, after, or throughout the duration of the congress. Insurance coverage is encouraged as a safety measure.

MEETING INFORMATION

CONGRESS VENUE

Auditorium, 13th Floor, Menara Selatan (South Tower), University Malaya Medical Centre.
Address: Jalan Universiti, 59100 Kuala Lumpur, Malaysia.

CONGRESS SECRETARIAT

Global Futuristic Management Services

Company Address: Level 41, Vista Tower, The Intermark, 348 Jalan Tun Razak, 50400 Kuala Lumpur, Malaysia.

Tel No: +6012-277 3799

Email: globalfuturistic@gmail.com

Website: www.penangmskrad.com

REGISTRATION

Registration is on 15th September 2018 from 7.30am-8.30am. All congress delegates are required to register at the registration desk located outside the congress hall with your identity card and confirmation letter to collect your name badge. Entry into the auditorium is strictly by name badge.
