

**The joint conference of the Ultrasonography Schools Cluj - Chisinau - Constanta:
"Clinical applications in general ultrasonography"
27 – 28 March 2020, Chisinau**

Programme

Friday, 27.03.2020

USMF "Nicolae Testemitanu", Senate Hall.

- 09.00 - 10.00 Registration
10.00 - 10.10 Conference opening. Greetings. Rector Emil Ceban
10.10 - 10.30 Point of care ultrasound. Current stage and expectations. Radu Badea
10.30 - 10.50 The utility of ultrasonography in abdominal surgery and surgeon expectations.
Valentin Muntean
10.50 - 11.15 The utility of ultrasonography in ambulatory medicine. Viorela Enachescu

Symposium. Musculoskeletal ultrasound. The current state. Coordinator: Daniela Fodor

- 11.15 - 11.35 Arthritis in inflammatory diseases (rheumatoid arthritis, spondylarthritis).
Daniela Fodor
11.35 - 11.55 Microcrystalline arthritis (gout, chondrocalcinosis). Oana Serban
11.55 - 12.10 Septic arthritis. Daniela Fodor
12.10 - 12.25 Osteoarthritis. Oana Serban
12.25 - 12.45 Trauma and joint tumors. Daniela Fodor

12.45 - 13.00 Coffee - break

Symposium. Vascular ultrasonography. Coordinators: Sorin Crisan, Sorin Pop

- 13.00 - 13.35 Vascular exploration of peripheral veins. Vein pathology and gestation.
Superficial thrombophlebitis of the lower limbs - from theory to practice. Deep
vein thrombophlebitis. Sorin Crisan
13.35 - 14.00 Ultrasound diagnosis in chronic obliterating arteriopathy. Rare causes of pain
in the lower limbs. Sorin Pop
14.00 - 14.25 Revascularization indications in carotid stenosis. The role of the ultrasound.
Sorin Pop
14.25 - 15.00 Non-hepatic CEUS applications. Radu Badea

15.00 - 15.20 Coffee break

Symposium. Miscellany. Coordinator: Viorela Enachescu, Ioan Tofolean

- 15.20 - 16.00 Scrotal ultrasound. Adnan Kabaalioglu
16.00 - 16.40 Interventional ultrasound. Malkhaz Mizandary
16.40 - 17.25 New Ultrasound Assessment Tools for Liver Diseases. Wesam Ibrahim
17.25 - 18.00 Abdominal emergencies. Presentations of cases. Diagnostic algorithms in
abdominal pathology. Ioan Tofolean

Saturday, 28.03.2020

Republican Center for Medical Diagnosis

Symposium. Miscellany. Coordinator: Sergiu Puiu, Vasile Turcanu

- 09.00 - 09.15 Cervical ultrasound: the surgeon's point of view regarding the accuracy of the method in the evaluation of cervical-facial pathology. Simion Bran
- 09.15 - 09.45 Cervical ultrasonographic examination. Differential diagnosis of laterocervical adenopathies: clinical-ultrasound correlations. Manuela Pop
- 09.45 - 10.10 Interventional diagnostic echondoscopy. Romeo Chira
- 10.10 - 10.35 Non-interventional diagnostic echoendoscopy. Lidia Ciobanu
- 10.35 - 11.15 Liver Focal Lesions Characterization and Diagnosis. Horst Kinkel
- 11.15 - 11.30 Coffee break

Workshop. How do we look? How do we think?

- 11.30 - 12.30 Musculoskeletal ultrasound (live scan). Daniela Fodor
- 12.30 - 13.30 Abdominal ultrasound (live scan). Radu Badea
